

Bar Secretary – Nomination Statements

Swantje Drescher

My name is Swantje Drescher and I have been a tennis member for three years. The bar and the clubhouse play an integral part of Coolhurst and I am standing for bar secretary because I believe we can build on this great foundation. I would like to form a close working relationship with the social secretary so that together and with the help of willing members we can deliver more through the bar and the clubhouse. In my professional life I work in marketing and my main passion is to understand my customer needs. As bar secretary my main passion would be to understand the member's needs and deliver on them.

Thanks
Swantje
