

Social Sec – Nomination Statements

Nigel Hutchings

I aim:

To form a social committee in close cooperation with the bar committee, and to organise a few events during the year. Members have noticed that we did not exactly have a plethora last year. The speaker evenings will be reinstated in cooperation with the clubhouse management. We will hold a home cooked curry night with authentic chefs. The Oktoberfest beer festival will be repeated, and as last time, will be accompanied by a themed BBQ.

I hope also to host a film club evening as many members have asked for this, with pop corn and drinks.

To book a jazz band with club members playing, one weekend.

To encourage more interaction between the two sections, bring back an open day with sporting competitions, and to have a New Year's Eve party, and a Tennis Finals' party, as in the past.

This will all happen with the support of the committee I shall form, with many Tennis and Squash members who you all know!!

Nick Healey

In my three years as social sec we have had Shakespeare plays, comedy nights, numerous well attended quiz's and game show nights, a dinner dance, pool comps, firework nights to name but a few. If returned I want to have a Bond casino night, monthly poker nights, run two more comedy evenings and a live R and B band event. I love entertaining and love the club what a potent mix, so if you want a great social life off the court vote Nick.
